

## FREEDOM AND CONTROL, TOGETHER AT LAST.

Starting now, the best of both worlds is in one place. Introducing Managed Mobility Solutions, the latest innovation from PeopleNet's ConnectedFleet™ platform.

Fully supported by PeopleNet, Managed Mobility Solutions is the only truly comprehensive managed mobility service available for fleets today. Through this service, PeopleNet can manage everything for your fleet – from devices, applications, security, to rate plans/networks and support – giving your drivers the freedom to install and access approved apps for both personal and business use, and giving you the peace of mind that your proprietary information is secure.

Tomorrow has all sorts of potential. And now, tomorrow's here.

### The ConnectedFleet™ Platform & the Internet of Transportation Things™

Managed Mobility Solutions secures and manages the use and support of mobile devices anytime, anywhere. We seamlessly deploy, manage and secure the applications your drivers need to operate efficiently – all while maintaining end-to-end responsibility for PeopleNet Mobile software.

"MANAGE & SECURE  
THE APPLICATIONS  
YOUR DRIVERS  
NEED TO OPERATE  
EFFICIENTLY"

## MOBILITY LIKE NEVER BEFORE.

### FEATURES & FUNCTIONALITY

#### MOBILE SECURITY

Leveraging industry standards for Enterprise Mobility Management (EMM), we give you network, data and device security you can rely on.

#### PROVEN MOBILE SOFTWARE

The Android device fleets select is tested and certified to operate with PeopleNet fleet mobility software and applications.

#### ENDLESS APPLICATIONS

Quickly deploy and maintain any other apps (Google Play) your fleet needs without the added time or cost of custom development.

#### TRUSTED 24/7 SUPPORT

Customers will have one place to call for all device, software, service or driver questions, plus end-to-end support for managing product lifecycles and upgrades.

#### MOBILE DEVICE MANAGEMENT

Remote access to devices for support, security, updates and troubleshooting.

#### AVAILABLE ON SAMSUNG GALAXY TAB A 8"

**FACILITATE MOBILITY ANYWHERE**  
with 11 hours of battery life and optional keyboards.

**POWERFUL PERFORMANCE**  
from a 1.2 GHz quad core processor and Android™ Lollipop 5.0.

**SECURE MDM**  
Mobile Device Management provided by our preferred partner SOTI® to quickly deploy and manage application upgrades.
