

# In-Cab Training

*Train your drivers anytime, anywhere.*

With Pro-TREAD's™ specific interactive multimedia driver trainings, your drivers get detailed self-paced lessons all displayed with twice the processing power of the competition. Plus drivers can access training at any point of the day, from any location they choose. Best of all, lessons are designed to involve only your drivers, giving your trainers time to breathe. In-Cab Training. It's one of the many ways PeopleNet works with you to help maximize your fleet's performance.

- Reduces training and operating costs
- Allows drivers to make use of their downtime
- Stays consistent with FMCSA Regulations
- Allows drivers to stay in the cab

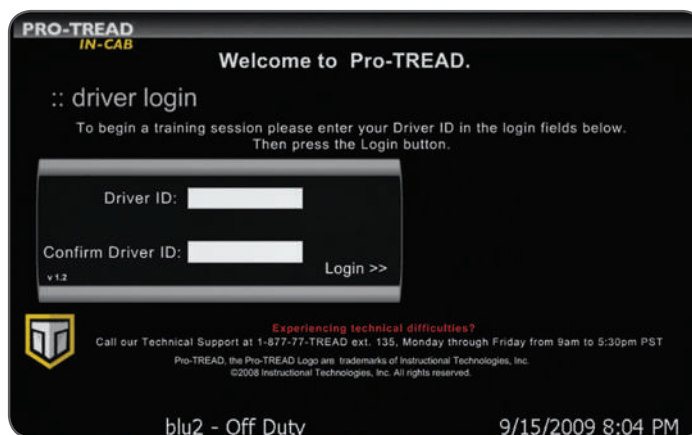

# TRAINING FROM THE COMFORTS OF THE CAB.

Why not utilize downtime for your drivers? With In-Cab Training, you can do just that, all from the comfort of the driver's cab.

- Widest range of cost-effective computer-based training with more than 60 interactive lessons available
- Questions are presented throughout the lesson, keeping the drivers engaged
- Carriers may monitor and document their drivers' training records
- PeopleNet's powerful platform gives drivers the highest quality viewing experience
